CivE 495 - Capstone Design Class

PROJECT SPONSOR PROCESS

Project sponsors help develop "RFPs" with available project information (topo, soils data, etc.) by August/January.

Students develop a Proposal including Scope of Work, Roles and Responsibilities, and Project Schedule.

Students submit 50% and 100% design submittals.

Sponsors can be involved as little or as much as you like.

The semester culminates with Senior Design Day, student event showcasing their projects to industry and faculty in December/May.

Fall Semester runs August-December

Spring Semester runs January-May

Industry Partners and Friends,

We invite you to be a Project Sponsor providing real project opportunity to our students (no cost) or be a Program Sponsor (level details below), or both!

Not sure if your project idea will be a good fit for the Capstone Senior Design class? Contact us and we can help. Projects can include a current project your firm is working on, or even a completed or future project.

PROJECT SPONSOR OPPORTUNITIES

Fall Semester runs August-December

Spring Semester runs January-May

PROJECT SPONSOR PROCESS

- Project sponsors help develop "RFPs" with available project information (topo, soils data, etc.) by August/January
- Students develop a Proposal including Scope of Work, Roles and Responsibilities, and Project Schedule
- Students submit 50% and 100% design submittals
- Sponsors can be involved as little or as much as you like
- The semester culminates with Senior Design Day, student event showcasing their projects to industry and faculty in December/May
